Statement of Sh. Syed Faizal Huda S/O Sh. Ainul Huda , aged about 25 years, R/O H-42, Abul Fazal Enclave, Jamia Nagar, Okhla.

ON S A

I am Forensic Expert and my qualification is B.SC (Hon.) Forensic Science from Amity University, Noida and M.SC. Forensic Science from Agra University alongwith the practical training on the subject of Forensic Science. I have got experience to examine more than 100 court cases related to handwriting and finger prints and also appeared as an expert witness in various court cases summoned by the Hon'ble court.

In this case I have taken the specimen sample of name, amount, date and figure from the writer on the photocopy of cheque to maintain the variation in the handwriting. I have scientifically examine and compared the disputed cheque and specimen samples , which is EX. DW 2/1 (colly.) The report EX DW 2/1 bears my signatures at point "A". On the cumulative effect of all the above reasons and observations taken together, I am of the definite opinion that the disputed amount, name, date and figure marked as DA-1 , DN-1 and DF-1 ,have not been written by the same person who has written the specimen samples marked as SA-1 to SA-3, SD-1 and SF-1 to SF-3.

XXX XXX XXX by Sh. S.P. Verma , counsel for the complainant.

I do not know if the the amount ,name of complainant , date

and figure on the cheque is filled up by another person . I have no knowledge whether Dharmender Kumar has studied only upto 10th class. It is correct that I am not a summoned witness and I have come to depose only at the instance of the accused. It is wrong to suggest that I am deposing falsely.
